APM Fire and Security have moved!

After two years of exceptional growth, APM Fire and Security have out-grown their original premises and have now moved to larger premises.

APM Fire and Security are now located in two-story offices located at Unit 8, Twigworth Court Business Centre located just outside Gloucester on the A38 and closer to Cheltenham – helping to ensure customers in both locations are serviced with even closer support.

The new premises are home to a growing number of support staff and features a dedicated stores, a meeting/training area to support our team of engineers and also allows for further expansion ready to support the ambitious growth plans the company has for the future.
